

Suki Mann

Audit Partner, Sensiba San Filippo LLP

smann@ssflp.com

925.271.8700

With over 12 years of experience in accounting and financial reporting, Suki specializes in assisting venture-backed technology companies with revenue recognition and other industry-specific needs.

Suki serves as a leader of the firm's Employee Benefit Plan Audit Practice, supervising and directing the training for all staff working on these engagements. She has worked with both privately-held and publically-traded benefit plans. Suki works with nearly all of the employee benefit plan audits of the firm ensuring that the audits are executed smoothly, efficiently, and timely.

Suki also has received certification in blockchain technology from the AICPA and CIMA. She understands the current landscape, business applications and financial control considerations associated with blockchain use as well as regulatory concerns and governance related to blockchain implementations.

Suki received her Bachelor's Degree in Accounting from California State University, Chico, in 2006. As a licensed CPA in the State of California, she is a member of the American Institute of Certified Public Accountants and the California Society of Certified Public Accountants. Suki was also awarded the YWCA TWIN Award in 2016.
